“

I am a 30-year-old, graphic - and web designer from Sweden. I create effective visual identities for companies of all sizes. I breathe and live design, and have been working with graphic design for seven years in a wide range of areas. Since five years back I have been living and working in South Korea. I'm not afraid to take on challenges and put myself in new environments.

I am a problem solver at heart and always strive to deliver the most effective solutions of the highest standard. I speak Swedish and English fluently and some Korean.
